# Peter David Stuart

---

## SKILLS

- Top quality computer literacy and great knowledge of a majority of Windows applications
- Further computing skills include experience with many programming languages, such as: Java, C++, and JavaScript
- Excellent problem solving skills which have been utilised in many of my academic projects

## EXPERIENCE

### O2 Academy Music Group, Newcastle-upon-Tyne — *Bar Staff*

September 2021 – Present

- Working as bar staff I have gained experience in the hospitality industry by being a core member of a work force dedicated to serving some of the biggest gigs in the North East
- I have been able to use teamwork, in a positive work environment, to ensure customers are left satisfied and happy at each gig
- My numeracy and social skills means that each order is put through with precision, and accompanied by a smile. Even in sold out events I have been able to use hardwork and dedication to power through each queue
